

FROM AN AWARD WINNING TEACHER . . .*

August 16, 2000

Travis,

You are a truly creative and gifted writer. I want to thank you for sharing your endeavors with all of us over the internet. Storytelling is a wonderful art that needs to be shared. I am hopeful that in this new age of technology, the old art of storytelling and Grumpuss will find their well deserved spotlight on the stage.

You are an inspiration. Don't give up your dreams. It is what has made Grumpuss so real in the minds of those who have heard it.
